Whistler Minor Hockey Association has a number of policies designed to ensure player, parent and spectator safety, preserve WMHA equipment, and ensure WMHA provides a productive and positive learning environment for our young hockey players.

This is a compendium of our policies and is intended to help you understand the protocols and procedures of WMHA, the governance structure Minor Hockey operates under, and to provide assistance and direction to those who are responsible for the operating needs of minor hockey teams in the Whistler Minor Hockey Association.

General information and things players and families need to know

OUR HOCKEY HISTORY

Whistler Minor Hockey Association (WMHA) was incorporated as a Society in 1992 and became a part of the Pacific Coast Amateur Hockey Association (PCAHA) a short time later, only through the hard work and perseverance of many long-time Whistler families, eager to bring minor hockey to our community. Among those dedicated community members was Tony Tyler, in whose honour jersey # 4 has been retired.

WMHA appreciates the strong support received from the Whistler area business community each year. Without this, our association would not flourish. Our players proudly wear the name "Whistler" on the front of their jerseys, knowing they are on the ice with the support of the whole extended community.

Among our members are players residing in Pemberton, Mount Currie, and D'Arcy to the north, and as far south as Black Tusk. Our players, whether participating in recreational or representative hockey, come together to form a sport community, all of us travelling long distances for games throughout the Lower Mainland and Washington State, through all weather conditions, for the love of the sport.

WMHA takes pride in our hockey community, and strives to meet the needs of a small but diverse membership of all levels and ages of players. Whether taking their first skate at Hockey 1, or Midget players progressing to elite levels, they are all on the Whistler team.

REPRESENTING WMHA

Membership is a PRIVILEGE, not a right, and with that membership come inherent responsibilities and obligations to protect the sport, and most importantly, the growth and development of our children.

- All participants - players, parents/spectators/volunteers, coaches, officials, and sport administrators - are equally responsible partners in this endeavor. Every individual involved must examine his/her attitudes, actions, and behaviors and make a personal commitment to the principles of Respect, Integrity, and Fair Play.
- This is a condition of membership in WMHA.

VOLUNTEERING

Volunteers are what make the association work in our community. Without volunteers, there wouldn't be an opportunity for your child to play hockey. There are so many ways to help and so many reasons why. As we all know there isn't much funding in youth sports. We need parents who are involved, engaged and supportive. Not only does your involvement provide extra bonding time with your child, but it also gives you more insight into the backstage area of keeping a team organized.

One small way you can improve the world is by making positive changes in your local community. By helping out your child's team, you are getting involved in your local community and offering the skills and time they need to offer a better service. By volunteering, you could help the team reach out to more children, improve their game and offer the children better opportunities.

OMBUDSMAN

The Association has an Ombudsman, who will adjudicate matters that have not been solved at the team division or process level. The Executive has the discretion to refer a matter directly to the Ombudsman. The Ombudsman will review and consider any complaint made or any problem arising with respect to the affairs of the Association and attempt to resolve the complaint or problem on an informal basis and where he or she considers it necessary or appropriate, refer the complaint or problem to the Directors with a recommendation for disposition. Please try to resolve any problems or issues by working with your team manager, coaches, and board policy processes first.

AROUND THE RINK

Parents, unless they are team officials, are not permitted on the bench at any time.

Only those team officials and pre-approved persons with the required Hockey Canada certifications are permitted on the ice.

Siblings should not play in the dressing room and hallway or anywhere near the bench. Keep small children away from the dressing room doors.

Do not dress your child in the lobby, the stands or on the bench.

For the younger players, once your child is fully dressed, parents and siblings must leave the dressing rooms and dressing room hallway. Please RESPECT the privacy of the other players in the room.

Each player needs his/her own water bottle at every game and practice.

Parents shall not discipline or critique other players; any on-ice or off-ice behavioral issues must be brought to the coaches' or manager's attention and can only be dealt with by team officials or board members.

Shouting at, or any form of abuse of on-ice officials will not be tolerated. They have the authority to have you removed from the arena, and you set a very poor example to the young athletes and officials. The officials' calls may not always be perfect, but they are learning as well, and shouting at them is not an option. It is our job, as adults, to support junior officials in training, regardless of whether in our home rink or another. Let the team officials handle the situation under the authority they are granted.

TIMELINESS

Arrive at the rink at least **15 minutes** before practice – or earlier, as per Coach's instructions.

Players are to be **fully dressed and ready at least 5 minutes before ice time** for each practice.

Players MAY NOT go on the ice without a Coach.

Your coach will advise you what time to arrive at a rink prior to a game - as a rule, the expectation is one hour prior to start time.

If you can't make a game or practice please let the team manager or coach know in advance.

SPORTSMANSHIP

All players, team officials and parents must recognize that they are representatives of both our Association and our greater community. Our members are expected to recognize that their personal actions can have an impact on the reputation of our Association. We are all ambassadors of WMHA, and it is critical to our success that we take pride in who we are, and maintain our integrity and an honourable reputation both within minor hockey and the greater community.

Accordingly, as indicated in our bylaws, the Board has the power to suspend or terminate membership of any player, coach, manager or officer of a team, or parent of a player, for inappropriate conduct on or off the ice, including abusive language to any official, coach, player, or other person.

Bullying and harassment of any kind, by anyone, will not be tolerated. Violators will be dealt with according to these policies and with Hockey Canada safety rules.

We dedicate ourselves to the advancement of our players not just as hockey players, but also as individuals within the community. Hockey is more than a game; it is an education. It is also an important part of your child's upbringing, and the success of future generations depends on how well we teach life skills today.

Please remember that kids play the game for their own enjoyment, not for the entertainment of others.

All WMHA parents and players are required to sign the Fair Play Code contract available from your team's manager.

'24 HOUR' RULE – PARENT TO COACH COMMUNICATION

"A" Teams - Parents who are not rostered as team officials on REP (A) teams should **never** initiate communication directly with the coach, except during pre-defined team meetings between the parents and the coaches.

"C" Teams - Because Competitive (C) and Novice/Initiation coaches are usually parents of team players, the same process as Rep applies, but only to coaching issues, as social communication is normal between parents and parent-coaches; **HOWEVER**, if there is an issue with the coaches that the parent would like to address, the parent needs to follow the protocol in that all coaching issues need to be processed through the team manager.

24-hour Rule: If you have anything to say to the coach that could be contentious, you must wait 24 hours after the event or game before discussing it, and your first contact at that time is with the manager. By this time, you have a better perspective and a lot of arguments naturally are eliminated in the process.

ALL parent complaints go through the team manager FIRST.

At no time shall a parent initiate the discussion directly with the Coach.

SECTION 9 - REGISTRATION AND FEES

9.1 GENERAL

1. General - The registration of players is governed by HC, BC Hockey and PCAHA, but WMHA does have jurisdiction over various issues such as the number of players that will be registered within the Association and the number of teams that the Association will have in each division.
2. Pre-Registration and Spring Evaluation – at the option of the board, members may be required to pre-register for a fee of \$50.00 or other fee as set by the board each year. The full registration fee will be reduced by the amount paid for pre-registration. Pre-registration will secure the player a spot in his/her correct age division should a waitlist be needed, and would cover the participant's Spring Evaluation fee.
3. Residential Requirement - A player, to be registered with WMHA, must reside within the geographical zone of the Association as set by PCAHA and must not be registered or playing for another PCAHA member Association or League.
 - a. PCAHA defines WMHA boundaries as all areas within RMOW, south to Pinecrest Estates, to the north including all Pemberton Valley, Mt. Currie, and D'Arcy residents.
 - b. New applicants are not permitted on the ice until approval from PCAHA is received by WMHA.
 - c. Exceptions to this rule may be considered by the Executive in situations deemed beneficial to WMHA that are allowed by way of changes to BC Hockey Policy (ie: the formation of joint teams, shared draw zones, zone teams, etc).
4. Returning Players - The parent(s) of a returning player must be a member in good standing in order to register their child(ren) for the upcoming hockey season.
5. First Time Registrants - As per HC, BC Hockey and/or PCAHA rules/regulations, every player applying for registration for the first time shall submit a birth certificate (or other approved document permitted by HC regulations), issued by a competent authority, confirming the player's date and place of birth, along with all additional documents required by BC Hockey.
6. Canadian Players With International Birth Certificates – As per HC, BC Hockey and/or PCAHA rules/regulations, every player, regardless of age or prior playing history must provide all documents required by BC Hockey in addition to the items referred to in Item 5 above.
7. International student registration
 - a. Applications for International Student players must be completed in full and submitted as a package with all the requirements of PCAHA for entry into Canadian Minor Hockey and our Association. The player's family must contact WMHA Registrar for a full application package.
 - b. Applications must be submitted to WMHA by May 1st. Approval process must go through multiple amateur hockey governing levels including IIHF, through to applicant's home association, and all hockey-related governing bodies of WMHA. All levels of approval must be received by BC Hockey before player can complete registration with WMHA and be rostered on a team. The process takes 3-4 months to receive all approvals.
 - c. Applicants are not permitted on the ice until approval from PCAHA is received by WMHA.

- d. The International player is eligible to play on a "C" team within the association and not allowed to play rep ("A") or be a rep affiliate under an International Under 18 Player Transfer, as per PCAHA/BCH regulations.
8. Waitlist - In the event of over-registration in a division, WMHA must maintain a waiting list that contains the names of interested applicants that were denied the opportunity to register with WMHA due a lack of available space. The applicants on this list will be entitled to register in the future as set out in Section 9.2.1b
9. Maximum Player Numbers - Prior to the start of each hockey season, and/or upon pre-registration player numbers, the Executive must decide on the number of players that will be allowed to be registered in the Association and the number of teams per division, taking into consideration various factors such as the number of registrations received per division, the number of players interested in playing goal, the minimum and maximum numbers of players per team, the availability of ice, etc.
10. Registrar - The Registrar, under the direction of the President, is responsible for the overall management of the registration process of the Association, including the entering of information about team officials and players into the current registration system(s) used by HC, BC Hockey and/or PCAHA, collecting all fees, and ensuring all players have paid all fees prior to being rostered on a team. Additionally, the Registrar is responsible for the overall management of the 'A' carding process and the entering of information relating to affiliate players. The Registrar is also responsible for coordinating International Student Applications and liaising with governing bodies and families on behalf of WMHA.
11. On-ice requirement - No one (e.g. coaches, players, volunteers) is permitted on the ice for any reason (e.g. practice, game, evaluation) unless they have been registered by WMHA into the current registration system(s) used by HC, BC Hockey and/or PCAHA; thus it is important that the required information is provided to the Registrar in a timely fashion and as directed
12. Team official limits - WMHA will register all active coaches to a maximum 5 officials per team. Additional individuals will be considered for registration on a case-by-case basis by the Executive. If the Exec cannot sponsor the number of coaches the team desires, the team may opt to pay the costs to register those additional coaches.

9.2 PROCESS FOR REGISTRATION

1. The following is the order of acceptance for the registration of players:
 - a. Currently registered players returning for the next hockey season, including players who registered with WMHA in the previous season and were subsequently selected to elite teams with other associations or Hockey Canada organizations;
 - b. Applicants that could not be placed on a team due to a lack of available space and wanted to be placed on a waiting list;
 - c. New applicants.

9.3. CONDITIONAL REGISTRATION

1. All new "C" players must meet a minimum requirement of hockey and skating skills to participate in their age division, and must not be a "risk player" to him/herself or others as determined by a panel of three Executive board members.
2. Alternative options such as moving the risk player to a lower division until he/she is safe to move up to his/her own age division, or denying the player's registration if there is no space in the appropriate division for their skill level, may be considered.

3. Every attempt will be made to accommodate the 'risk' player in an appropriate division; however, if that is not possible, a full refund will be given to the player if registration is declined for this reason. The player will be encouraged to attend development clinics and skate lessons to 'catch up', and re-apply at a later time.

9.4 GOALIE REGISTRATION LIMITS

1. Atom through Midget: Each hockey season, all players wishing to play as goalies must declare their intention to do so at the time they register.
 - a. Each team is allowed a maximum of 2 goalies during the season; thus, some of the declared goalies will have to be prepared to play at another position if the number of goalies exceeds the number of positions available.
 - b. If this should occur, the parent(s) of the affected goalies will be advised and provided with the option that their child may be registered to play as a skater. These players may practise in goal from time to time at the discretion of the Head Coach.
 - c. All goalies will receive a 50% reduction in their registration fees when supplying their own equipment (blocker, catcher, pads, chest protector, and stick). They will also be strongly encouraged to attend WMHA goalie clinics at no additional charge.
2. WMHA Goalie Equipment:
 - a. Novice – Peewee: WMHA has a limited amount of novice-Peewee sized goalie gear available for players who wish to try goaltending. Novice goalies will also be provided with the option of attending WMHA goalie clinics at no additional charge.
 - b. Bantam – Midget: To address the onerous financial burden of outfitting growing goalies in the later years with their "C" teams, and to encourage interested athletes to pursue the goaltender position as well as to retain athletes in this position throughout their minor hockey years, WMHA will make available to each of the Bantam and Midget "C" teams, a set of goalie equipment to use for the season. A deposit and equipment maintenance fee may apply, at the discretion of the board. "C" Players interested in trying the goaltending position with the use of the WMHA gear should consult with their respective coaches.

9.5 REGISTRATION FEES AND REFUNDS

1. Registration will be in the form prescribed by the Executive.
2. Pre-registration from year to year will be at the discretion of the Executive.

4. As per the Bylaws, the Executive has the discretionary power to waive the registration fee of a player in exceptional circumstances.
5. Existing WMHA members will have three (3) options in which to pay their registration fees:

9. Registration Fees must be paid in full prior to the player participating in WMHA sanctioned events or at practises, except as approved in advance by the President.
10. First time players wishing to skate before committing to registration, may register for a 4x tryout. A non-refundable fee of \$60.00 will be charged, this fee will be deducted from registration fees if the player decides to register for the season. Players having completed a 4-time trial, and wishing to continue playing must be registered, placed on a HC roster, with all fees paid before returning to the ice following their trial period. The trial is for practises only, players must fully register before participating in a game.

- e. A refund will not be provided for any player who is unable to play by reason of having been expelled and/or suspended from playing hockey.

9.6 REPRESENTATIVE 'A' TRYOUT FEE AND REFUNDS

1. Each year prior to the registration process, the Executive must assess the current 'A' tryout fee and determine if the current fee is appropriate for the next season. At its discretion, the Executive may lower, raise or keep the 'A' tryout fee the same for the next season.
2. The Executive may offer the Rep Tryout process over two opportunities:
 - a. Spring Evaluations (fee included in Pre-Registration fees)
 - b. Fall Try-outs (separate fee)
3. The parent(s) of a player may request a refund of their 'A' tryout fee if the player will not be trying out for an 'A' team.
 - a. This request must be submitted in writing by the parent(s) of the player to the Registrar; and
 - b. Must be made before tryouts begin.
4. There will be no refund of 'A' tryout fees after Day 1 of tryouts, except under exceptional circumstances.
 - a. An example of an exceptional circumstance would be a player incurring a serious injury after paying the 'A' Tryout Fee, but prior to the start of the 'A' tryouts, and this injury would prevent the player from playing on an 'A' hockey team for the season.
 - b. In order to receive a refund under this provision, the parent(s) of the player must make the request to the President in writing and the request must be supported by appropriate evidence (e.g. doctor's report). The President, at his/her discretion, may approve the request and then refund the 'A' tryout fee.
5. The "A" Team Selection Committee has the authority to remove any player from the 'A' tryout process if there is a concern about the safety of the player. Should this occur, a full refund of the 'A' tryout fee will be given to the parent(s) of the player.

9.7 REPRESENTATIVE 'A' PLAYER FEE AND REFUNDS

1. Each year, prior to the registration process, the Executive must assess the current 'A' player fee and determine if the current fee is appropriate for the next season. At its discretion, the Executive may lower, raise or keep the 'A' player fee the same for the next season.
2. Before carding his/her team, the head coach of each 'A' team must have a coach/parent meeting outlining the plan and budget for the season so that all parents are aware of the expectations (e.g. costs and time commitment) prior to having their child carded to the team. If the expectations are too high (e.g. financially), then the parent(s) may make a request to the Executive to have their child moved to another team.

10.2 COMPETITIVE “C” HOCKEY

1. All players not electing to try out for “A” teams, or not selected to play on an “A” team will compete in the Lions Gate League on a “C” team (house league).

3. No body checking is permitted in “C” leagues, body contact is permitted as per BC Hockey rules
4. While the “C” leagues are significantly less competitive than the “A” leagues, participants should be aware that it is still a team game, that the team plays in a league that competes for league and playoff championships, and that a reasonable level of commitment is necessary to avoid negatively impacting your teammates.
 - a. Equal ice time applies to all Novice and “C” teams.
 - b. WMHA policy allows for reduced playing time for an individual in certain circumstances, as per Section 11.2

10.4 REP (AP) TEAM FORMATION

The decision as to whether there should be rep teams is made in the interests of the Association as a whole and cannot be based solely on the interests of a few.

Accordingly, the Association is guided by the following policy:

1. Rep Teams at each level will only be declared when the Board of WMHA determines that there is a sufficient number of registrants whose skills, commitment and fitness are of such a level as to allow the team to play competitively within WMHA's designated Tier level.
2. Rep Teams will not be declared in a division where there is an insufficient number of registered players in the division to form a “C” team and an “A” team. This number will be based on registered players as of the Labour Day weekend Sunday, prior to Rep tryouts being held.
 - a. Rep teams will be formed in a manner that sufficient numbers of players are assigned to each of the A and C teams in each division so that neither team is left with too few players or an oversized team.
3. The number of Rep Teams at each level will be decided by the Executive Committee based on the number of registrants who meet the requirements for Rep play.
4. Rep A1 teams will be comprised of the 'best qualified' registrants.
5. Rep A2 teams, including combined teams, shall only be created if:
 - a. There are sufficient registrants not playing “A1” to meet the minimum team size and,
 - b. The skills, commitment and fitness of the registrants wanting to play are of such a level as to allow the team to play competitively.

10.5 REQUEST TO MOVE A PLAYER TO A LOWER DIVISION

1. As per PCAHA rules/regulations, a parent may request that their child be allowed to play in a lower division if the player is intending to play at the Competitive (“C”) level - the approval for this type of request falls under the jurisdiction of PCAHA.
2. A parent making this type of request must advise the Coaching Co-ordinator and the Head Coaches of both divisions (e.g. a parent of a Bantam aged player who wants to move their child to the Peewee Division must advise both the Bantam and Peewee coaches as well as the Coaching Co-ordinator).

10.6 REQUEST TO MOVE A PLAYER TO A HIGHER DIVISION

1. Player movement must not displace a player in next division or category.
2. Competitive ‘C’ Teams - WMHA players will not generally be allowed to play in a higher division; however, the Executive, on the recommendation of the Coaching Co-ordinator, has the discretion to allow the movement of players up to a higher ‘C’ division in the event that the higher division is short of players and the player is deemed sufficiently skilled, mature, and safe to play at the higher division, and the higher division Head Coach agrees to accept the player.
3. Representative ‘A’ Teams – as per PCAHA regulations on player movement apply.
 - a) WMHA Peewee aged players will not be advanced to a Bantam team. The Executive, at its sole discretion, may elect to advance a Peewee player to Bantam in very exceptional circumstances. No appeal of the Executive decision on a placement application will be permitted.

ELITE PLAYER AGE ADVANCEMENT:

If an elite player desires to participate in an age group at a higher level, the following process and criteria will be adhered to:

- a) The player’s parents will provide an email or letter to the executive requesting the player to be moved to a higher division and must include a support statement from the player’s Head Coach from the previous hockey season.
- b) The parents will submit a fee of \$100 with the written request.
- c) The player must try out for the age division they are registered and the higher age division team.
- d) The parents must pay the tryout fee for both divisions
- e) The player must attend all tryout ice times for both divisions
- f) The parents will be responsible for any other extra costs incurred in Elite Player Age Advancement
- g) All players being considered for movement will be evaluated by an Assessment Committee consisting of individuals whom are not in conflict and including the coach of the team the player wished to join. Each committee member has a minimum of three years coaching experience.
- h) The player must be assessed as one of the top four players on the team for which he/she is trying out. The assessment criteria will include hockey IQ, skills, skating ability, physical size and social considerations. The committee may also seek input from the players head coach from the previous season.
- i) After the committee has reached a decision, they will make a recommendation to the WMHA Executive who are responsible for making the final decision after factoring in the following criteria:

- a. Player numbers must work for the overall association, including the age division the player is registered and the age division the player is seeking to join
- b. At no time will a player of the lower division displace a player in the higher division
- c. To allow an elite player age advancement, the maximum number of players per division cannot exceed 34. For the purposes of clarity, at no time shall a player advancement result in an oversized team whereby a player would be forced to sit out a game due to exceeding maximum player numbers allowed per team.
- d. The minimum and maximum number of players required per team is in accordance with PCAHA rules for each season.
- e. For purposes of calculating overall association numbers, the numbers will be based on the registration numbers as of the Sunday of Labour Day weekend.

10.6 HOCKEY 1 TO 4 - PLAYING AT A LOWER OR HIGHER LEVEL

 - b. The affiliating team manager and player's regular team manager must monitor the number of times an affiliate player is used during the hockey season to ensure that all affiliated players have an opportunity to play on the higher category team.
 - c. After the date set by BC Hockey and/or PCAHA that restricts the number of times an affiliate player can play without jeopardizing the position on his/her regular team, all parties (both teams) must closely monitor the number of times each player plays as an affiliate player to ensure that the player does not lose his/her position on his/her regular team.

17.5 PARENT DISCIPLINE

1. Each year, parents must sign a Hockey Canada Parent Contract, a WMHA Player Code of Conduct contract, as well as a Sportsmanship Contract for first time participants.
2. Parents play an important role in promoting a positive environment for all participants in hockey; thus, WMHA will not tolerate poor conduct by the parents of the Association at any WMHA event.
3. Parents are responsible for their own conduct and the conduct of the children in their company at all Association related events (e.g. games, practices, tournaments attended by the team, etc.). Parents and children must not exhibit any disorderly, abusive, harassing, or disrespectful conduct before, during or after any Association related event.
4. Parents and/or spectators may be ejected from a game by an on-ice official for any behaviour deemed inappropriate by an on-ice official. Parents and spectators ejected from a game by an on-ice official are expected to, immediately and without further incident, depart from the area as directed by the on-ice official.
5. If a parent or a child spectator is ejected from an arena, a team official must notify the President, or in his/her absence the Vice-President, within 24 hours of such an occurrence. The President may, at his/her discretion, initiate action to investigate the matter and take the appropriate disciplinary action (e.g. refer the matter to the Discipline Committee).
6. In the event of a serious breach of WMHA Policies or By-laws, or those of our governing bodies, the parent may have membership in WHMA revoked.

17.6 TEAM OFFICIALS DISCIPLINE

1. Each year, team officials must sign a Hockey Canada Team Official Contract, and have current HC Respect-In-Sport training. Failure to do so will result in the team official being removed from his/her role on the team.
2. Team officials, as representatives of WMHA and the leaders of their teams, are required to act in a highly professional manner before, during and after all hockey related activities (e.g. games, practices, etc.).
3. Team officials are responsible for both their own behaviour and the behaviour of their team.
 - a. All team officials must behave in a professional manner at all times before, during and after Association events.

- b. Additionally, team officials are responsible for supervising and controlling the conduct of their team before, during and after each event (e.g. vandalism to a dressing room, a brawl during a game, fighting in a lobby or parking lot, etc.).
- c. A team official who breaches the terms of the HC Team Officials Contract, or fails to behave professionally and/or to control the conduct of their players may be reprimanded or removed from his/her position, at the discretion of the Disciplinary Committee.

18.1 2-DEEP METHOD, PLAYER SUPERVISION

1. Dressing Room Safety
 - a. Players should be supervised at all times.
 - b. A lone personnel member should never be in the dressing room with players at any time, and especially when they are showering or changing: two (2) adults should be present together; which is called the “Two Deep Method” of supervision.
 - c. Should separate dressing rooms be required, both dressing rooms require the appropriate adult supervision under the “Two Deep Method”,
 - i. Please refer to the BC Hockey Co-ed Dressing Room Policy
2. Injury Treatment
 - a. The safety person must not treat injuries out of sight of others.
 - b. Use the “Two Deep Method” (two adults) supervision system.
3. Female Teams
 - a. Hockey Canada recommends that, when using the “Two-Deep Method” with female hockey teams, there shall be 2 female supervisors with the players where possible.
 - b. If not possible there may be one (1) male and one (1) female supervisor.
 - c. The male supervisor however, would not enter the dressing room but would be within hearing distance to protect supervisors or players.
 - d. Please refer to the BC Hockey Co-ed Dressing Room Policy included in this WMHA policy for dressing room dress codes on Co-ed teams.
4. Road Trips
 - a. Ideally, team personnel and players should not share accommodations, regardless of the potential cost savings or other benefits.
 - b. If sharing a room is unavoidable, be sure that the “Two Deep Method” rule is observed at all times.
5. Physical Contact
 - a. Team personnel should avoid touching a player.
 - b. Use the “Two Deep Method” (two personnel, or two players) supervision system.
 - c. The comfort level and dignity of the player should always be the priority.

18.2 DRESSING ROOM AND OFF-ICE BEHAVIOUR

1. General: WMHA Code of Conduct Contract and Disciplinary Process applies to all of WMHA policies. As well, where the WMHA Code of Conduct policy is silent on, or may require a lesser consequence than that of BC Hockey or Hockey Canada, the policies of the governing bodies will prevail.
2. Hazing WMHA strictly adheres to all Hockey Canada guidelines prohibiting hazing, as quoted below, and hereby establishes the Hockey Canada Statement of Regulations as WMHA Internal Policy:
 - a. Hockey Canada takes hazing very seriously and urges all team staff and those involved with teams across Canada to implement strict policies against hazing regardless as to the level of hockey you are involved with.
 - b. The Hockey Canada policy currently defines hazing as “an initiation practice that may humiliate, demean, degrade, or disgrace a person regardless of location or consent of the participant(s)”.
 - c. HC Regulation O4 reads as follows:
 - i. A player, team official, executive member, team, club or association, or any other Hockey Canada registered participant found, by an investigative process, to have condoned, initiated or, to the detriment of another, participated in hazing actions or behaviours shall be subject to discipline up to and including expulsion from Hockey Canada registered programs. Discipline must relate to the degree of severity of the incident(s).
 - ii. Any party failing to cooperate with the fact-finding process may be subject to suspension as determined by WMHA, and by BC Hockey and Hockey Canada.
 - iii. All discipline decisions related to hazing must be approved by the Branch.
 - iv. All hazing matters involving Hockey Canada High Performance programs will be dealt with by the Hockey Canada Board of Directors.
 - v. Hockey Canada urges all those involved to educate and create awareness around the negative consequences of hazing and to help create a positive environment for all Hockey Canada members in the 2017-2018 season.
 - b. Any member parent accused of being in violation of this section, or to have been involved as per item (c) i & ii above will be immediately suspended pending the investigation; further, if the findings of the investigation confirm the violation, the person's WMHA membership in the society will be revoked at the earliest possible opportunity permitted under the BC Societies Act.
 - c. Any player found to be in violation of this section, will be immediately suspended pending the investigation; further, if the findings of the investigation confirm the violation, the person's WMHA membership in the society will be revoked at the earliest possible opportunity permitted under the BC Societies Act.
 - d. Any incidents of hazing will be dealt with immediately and severely under the methods outlined in the WMHA Disciplinary Process, as well as any disciplinary action required by BC Hockey and/or Hockey Canada.

- e. All WMHA Coaches will ensure this information is shared with players and parents.
3. Dressing Room Behaviour- Failure to adhere to these rules will result in disciplinary action which may include, but not be limited to, the suspension of play.
- a. All RMOW and MPSC usage policies will be observed, along with all usage policies at 'away' rinks.
 - b. Players will be attended in or around the locker room by coaches.
 - c. The following behavior is prohibited in all locker rooms:
 - i. Running, climbing, horseplay or locker boxing
 - ii. Foul or vulgar language
 - iii. Use of hockey sticks: Sticks are either lined up along a wall or placed in a receptacle specifically designated for hockey sticks.
 - iv. Throwing of snow/ice from skates, used tape, equipment or personal belongings
 - v. Misuse of lavatory or shower facilities
 - vi. Failure to keep locker rooms free from debris including used hockey tape, wrappers, cups etc.
 - vii. Pounding, kicking or any misuse of lockers or benches or other locker room fixtures
 - viii. Behavior that demonstrates a lack of respect for team mates, coaches, and others.
 - ix. Behavior that demonstrates a lack of respect for the personal belongings of others.
 - x. Destruction/Damage to Locker Room Facilities
 - 1. Teams will be held financially responsible for any damage to locker rooms including but not limited to being held directly financially responsible for the loss, damage and/or destruction of another player's personal belongings or equipment as a result of the inappropriate actions of individuals occupying locker room facilities both home and away.

4. Vaping and Tobacco Use – zero tolerance

- a. Any child caught vaping or using tobacco products anywhere while participating in a WMHA sanctioned event will have the device/item confiscated, and their parent(s) will be notified. Players wishing the items to be returned to them must go to the coach, manager or whichever official took the device from them, with their parent, who will return it to the parent at the parent's request.

5. Alcohol, Controlled Drugs and Illegal Substance Use – zero tolerance

- a. WMHA is unequivocally opposed to illegal drug and alcohol use and is sincere in its duty to uphold the laws of the land in which its members operate. WMHA is similarly unequivocally opposed to the use of banned and restricted substances for the purpose of performance enhancement. Zero tolerance means that behaviour contrary to that above will not be tolerated. Incidents are to be dealt with on an individual basis. This applies to any controlled substances for whom consumption is restricted to adults age 19 and over.

18.3 2-DEEP COMMUNICATION BETWEEN OFFICIALS AND PLAYERS

1. WMHA recognizes that there are many social media outlets that are used by closed groups for communications between players/parents/coaches.
2. Please refer to *Section 27, Communications and Media Relations*

18.4 PARENTS IN DRESSING ROOMS

The intent of this policy, which follows Hockey Canada regulations, is not to restrict parents from accessing their children, or to exclude parents in any way, but to protect the privacy of all of the children. Remember that you are not the parent of the children sitting on the bench beside your child.

1. Parents are required to respect the privacy of all players in the dressing room ahead of the need to assist their own player.
2. Except for players at the younger age groups [H1 – H3], parents are not permitted to enter dressing rooms unless it is truly necessary. In that event, they must first ask a team official to either bring the player out or to accompany the parent in, at the discretion of the team official, based on the particular situation and the age of the players in question.
 - a. **At no time should a parent enter a Hockey 4, Atom, Peewee, Bantam, or Midget aged dressing room while players are in the process of changing.**
 - i. In the event of an injury, team officials and players will take necessary steps to accommodate the player's and parent's immediate needs.
 - b. If a player needs assistance with his or her uniform or gear, if the player is or may be injured, or a player's disability warrants assistance, then we ask that parents let the coach know beforehand that he or she will need to help the player. The team official will assist as with section 2 above.
 - b. Naturally, with our youngest age groups it is usually necessary for parents to assist the players with gear. As the room quickly becomes congested, we ask the following:
 - i. Parents should help their player change quickly, and then vacate the room to leave space for others. Players need the dressing room for changing and receiving coach instructions; conversation between parents is easily done anywhere else in the building.
 - ii. Preferably only one parent per player in the dressing room at a time.
 - iii. Older siblings and others should not accompany the parent into the room unless they are needed to assist the player.
 - c. WMHA encourages parents to teach their young players how to get dressed independently as early as possible.
 - d. In circumstances where parents are permitted in the locker room to assist with dressing, they are required to vacate the room for 15-20 minutes before and after the games so that the coaches may address the team.

18.5 CO-ED DRESSING ROOM POLICY

This policy is in accordance with BC Hockey regulations.

1. In all cases where members of a team include both male and female players, the following dress code will apply in the team dressing room:
 - a. Male players will not undress to less than a minimum of shorts while females are present.
 - b. Female players will not undress to less than a minimum of shorts and a tee-shirt while males are present.
 - c. When separate facilities exist for both male and female participants, males and females shall make use of these separate facilities in order to change to the point that they can adhere to the co-ed dress code noted above.
 - i. Once dressed in accordance with the minimum requirements above, all players may return to the team [co-ed] dressing room.
 - d. When separate facilities do not exist for both male and female participants:
 - i. Players shall dress, undress and shower in shifts while maintaining the minimum dress code noted above.
 - ii. Players of the under-represented gender shall be granted access to the shower facilities after the balance of the team.
 - e. It is the responsibility of the team – officials, players, and parents - to ensure that these requirements are followed.

18.6 CELL PHONES AND OTHER RECORDING DEVICES

1. **Use of cell phones and recording devices are not permitted in dressing rooms at any time by anyone.**
 - a. Smartphones and other mobile devices with recording capabilities, including voice recording, still cameras, and video cameras, are not permitted to be used in the dressing rooms.
 - i. Take team pictures in the hallway, on the ice, or somewhere else in the building
 - ii. Pictures should never be taken in the dressing room, even when all the players are fully geared or dressed.
 - b. Cell phones must be turned off and put away; they may not be open or visible anywhere inside or within view of the dressing room.
 - c. Voice recording devices of any kind are also prohibited inside the dressing room, or anywhere capable of recording the voices in the room.
2. If phones or other mobile devices must be used, they must be taken outside of the locker room, away from the doorway.
3. Players may use music playback devices in the dressing room, provided that the team officials have first confirmed that the device has no voice or image recording capability.
4. Please refer also to *Section 28 - Social Media Policy*
5. Violation of this policy will result in immediate disciplinary action.

SECTION 19 - ON-ICE OFFICIALS

19.1 GENERAL

1. The Referee in-Chief (RIC) – Is appointed by the WMHA Executive to Manage the Referees and Officials. The RIC is a non-voting Executive member of WMHA, and attends Board meetings.
2. The RIC manages the WMHA Assignor, ensures officials are in place for all games, and updates the Referee section of the WMHA Updated Ice Schedule.
3. The WMHA Assignor will provide officials for the Initiation-Pewee “C” levels.
4. Bantams and above are assigned by the PCAHA Referee Assigning Centre
5. All persons interested in becoming an official must contact the RIC directly at the contact address on the WMHA website.
6. New and returning officials have to be certified.
 - a) Their course fees will be refunded after officiating at 5 games throughout the season.
 - b) Certification course information is posted to the WMHA website by the RIC, under the “Referees” tab.

19.2 REGULATIONS

1. The RIC is not allowed to officiate over his/her son/daughter’s own games, unless deemed absolutely necessary due to no other available officials.

19.3 TEAM OFFICIALS – SCHEDULING AND REF FEES

1. Team Managers are required to provide a copy of their game schedules to the RIC and Ice Scheduler immediately on receipt from their League Manager. Any revisions, reschedules, exhibition games, or any function requiring officials must be forwarded to the RIC on receipt.
2. Team Managers are required to provide 72 hours’ notice that they require officials for their upcoming home game. Game schedules are often delayed so that less than 72 hours notice is available. The RIC will anticipate this, but must receive your game schedule as soon as it is circulated in order to book officials.
3. If a home game is cancelled or postponed for any reason, the team manager is responsible for calling the RIC to advise of the cancellation.
4. WMHA provides each team manager with funds to cover the season’s anticipated home game referee fees. The team manager pays the refs after each game with these funds and keeps a reconciled balance of funds in the format required by WMHA.
5. Each team is responsible for payment to the officials at each game in the form of cash contained in separate marked envelopes with correct denominations for each of the officials (ie.: one “Ref” envelope, two “Linesman” pay envelopes). They also must be prepared for a situation that only 2 officials are available, in which case each would receive the “Ref” fee in a separate marked envelope).
6. Officials’ pay envelopes are to be left in the score booth at the start of the game. The Referee will collect the pay envelopes when he/she verifies the final game report.

19.4 CONDUCT

1. It is important for all officials to understand that there are potentially serious consequences for themselves, the players and/or the Association for violating the rules, regulations and/or policies of WMHA and/or its governing bodies (PCAHA, BC Hockey, Hockey Canada).

2. The RIC will not tolerate any abuse from players, parents or coaches whether at home or away. The violation of any rule, regulation or policy of WMHA and/or its governing bodies may lead to disciplinary action by WMHA and/or its governing bodies.
3. Volunteers in the score booth running the clock and game sheet are under the supervision of the Referee.
4. It is the responsibility of the Officials to familiarize themselves with the rules and regulations as well as taking the appropriate clinics prior to December 1 for the season.
5. If a player, who is also an official, is suspended from his/her team as a player, he/she is sustained from officiating during the duration of the suspension.

19.5 OFFICIATING PROGRAM AND DEVELOPMENT

1. WMHA is committed to encouraging any member who wishes to dedicate themselves to an officiating career.
2. WMHA will strive to provide the most conscientious individuals to represent our Association.
3. WMHA will assist youth referees in reaching higher skill levels. This will be accomplished by providing leadership and direction from the Referee-in-Chief and from the refereeing membership.
4. Where funds are available, this may include financial contribution to selected applicant(s), who are at grade level 1-6, to attend higher level training opportunities, at the discretion of the Executive.
5. We will provide opportunities to develop skills through practical training, on ice training sessions, as well as actual game situation training.

SECTION 20 - ICE ALLOCATION & SCHEDULING

20.1 ICE SCHEDULING

1. The Ice Schedule is developed annually by an Executive Committee consisting of President, Vice President, Coach Co-ordinator, and Ice Scheduler. The President will appoint a person(s) to act as Ice Scheduler in the absence of an elected Board member in the role.
 - a. The Ice Scheduling Committee liaises with Meadow Park Sports Centre scheduling staff to establish available ice for the season, and, in accordance with **Policy 20.2 Ice Allocation**, prepares an ice schedule for approval of the board prior to the season start up.
2. The Ice Scheduler is responsible for managing the ice time throughout the season, including notifying the MPSC Scheduler of any vacant WMHA ice times within the notice period required by RMOW, **currently 7 calendar days**, to avoid being charged for that ice.
3. Use of WMHA Ice
 - a. Teams may only use ice times they are scheduled for, including ice times swapped with other teams. Under no circumstances may a team use open ice without first obtaining permission from the Ice Scheduler or the President. This is an insurance issue.
 - b. Teams wishing to purchase additional ice from MPSC may only do so with the prior approval of the President, and must book it through WMHA to be insured.
 - c. Only those individuals insured by Hockey Canada, ie: team officials, players, and on-ice helpers, on-ice game officials, and certified contract instructors are permitted on WMHA ice.

4. Team Managers' ice scheduling responsibilities:
 - a. Provide their team home game schedule to the Ice Scheduler on receipt of each schedule (ie: tiering, league, playoffs).
 - b. Advise the Ice Scheduler of any changes to the practise ice times allocated to the team.
 - c. Advise the Ice Scheduler of any home game time/date revisions or reschedules a minimum of 7 days in advance where possible.
 - d. Ensure the team uses ONLY the dressing room(s) assigned by RMOW as posted on the arena notice board.
 - e. Ensure the team adheres to Meadow Park Sports Centre usage policies, time allotments, and that the room(s) are left clean.

5. Unused ice time reserved for WMHA:
 1. Conflict game reschedules will take priority over extra practise time, ie: a team that doesn't have a game in its regularly scheduled game slot will not automatically be given the time for an extra practise if it is needed to resolve another team's conflict game.
 2. The team not having the game may request to hold a practise in the unneeded game slot.
 3. The Ice Scheduler will offer unusable ice time to all other teams, ensuring that the distribution of all extra ice time is done as fairly as possible.

20.2 ICE ALLOCATION

1. The background to this policy is to establish specific ice allocation procedures reflective of the operating agreements between WMHA and MPSC/RMOW, the ice time made available to WMHA for the season, and BC Hockey requirements.
2. Ice times for games are allocated in accordance with ***PCAHA Rules & Regulations Section G: Game Times and Schedules***.
3. Consideration for age of players and game time commitments is given when allocating practise times. In general, the youngest players have the earliest practise times and the oldest players have the latest practise times, consistent with PCAHA game time rules.
4. Player registration fees cover the following, with respect to weekly ice time:
 - a. Hockey 1 & 2: (2) Practice slots (shared)
 - b. Hockey 3 & 4: (2) Practice slots (shared) and (1) alternating game slot per team
 - c. Atom C & Peewee C teams: (2) Practice slots (1 shared) and (1) alternating game slot per team
 - d. Bantam C & Midget C: (2) Practice slots (1 shared) and (1) game slot per team
 - e. Atom A, Peewee A, Bantam A, Midget A: (2) Practice Slots (1 shared) and (1) game slot per team
 - i. As per 20.1.3(b), teams may purchase additional ice time if and when available. The team is responsible for paying WMHA for any ice fees incurred under this section.
2. On occasion, ice slots may be withdrawn from WHMA due to special RMOW events.
 - a. Re-scheduling of missed practise time will be attempted, as practicable, dependant on ice availability.

- b. Practises missed due to unforeseen events (ie: power outage) will not be rescheduled; however, the missed time will be taken into account by the Ice Scheduler when offering unused ice to all teams.
3. Ice Assignments Changes - Requested by team
- a. Rescheduling practises - Teams wishing to change a practise time due to a conflict with an away game that will result in missing the practise may attempt to reschedule the practice time by trading dates with another team.
 - i. When such a trade is arranged, the Ice Allocator must be notified in advance.
 - ii. Teams unable to trade ice assignments with other teams shall notify the Ice Allocator a minimum of seven (7) calendar days in advance of the effected date.
 - iii. The Ice Scheduler will then offer the open time to all other WMHA teams, if no team can use the time, the Ice Scheduler returns it to MPSC within the no-charge time limit.
 - iv. Teams must notify the ice scheduler immediately of any league games that are in conflict.
 - b. Subletting of WMHA Ice
 - i. Absolutely no subletting of WMHA ice is permitted to any other user groups under any circumstances.
 - ii. The only exception to this rule is for special events that require a motion of the Board of Directors.

SECTION 21 - DRESS CODE

21.1 GENERAL

- 1. Team dress projects a powerful, professional image and identifies teams from our Association; thus, it is important that all teams dress appropriately when they represent WMHA.

21.2 REPRESENTATIVE 'A' TEAMS

- 1. 'A' teams, due to their higher profile, must adhere to a higher standard of dress.

The following information has been included in this document for ease of access to volunteers wanting to help on the ice. These are not policies set by WMHA; they are established by our governing body – BC Hockey – and change from time to time.

Included below are the current regulations. For further details, or to check for annual updates, follow this link and check for current bulletins: <http://www.bchockey.net/Administration/BulletinItem.aspx?id=470>

ISSUE #: 2017-033

August 29, 2017

TO: BC Hockey Membership

FROM: Barry Petrachenko
Chief Executive Officer

SUBJECT: On-Ice Helpers

From time to time minor hockey teams enlist older hockey players or other volunteers to assist with practices, scrimmages and other activities. It is important to ensure that insurance is in place by following the below guidelines:

1. Any on-ice helpers must be a current registered member of BC Hockey / Hockey Canada. If the individual is not currently registered through a BC Hockey Member or as an Associate Member, the Hockey Canada Registry (HCR) needs to be updated to include this person on the roster as a “volunteer” with the team(s).
2. All on-ice helpers must wear a CSA certified helmet with chin strap fastened and appropriate face protection required for the player’s level of play. A certified neck guard must also be worn by all minor hockey aged players assisting as an on-ice helper.
3. Bantam and below on-ice helpers must wear full gear. All other helpers (above Bantam) are to wear what is appropriate to their division.
4. Any helper who is not a BC Hockey minor or junior player must have certification in Respect in Sport (RIS). Additionally, they must be under the direct supervision of the certified team officials.
5. Non-members offering coaching or other on-ice help for a fee are not volunteers, and must become an Associate Member prior to participation. A person working in this capacity should not be rostered with an MHA.
6. MHAs are not to create “Volunteer” teams within the HCR for volunteers and executive members who do not participate in on-ice activities with the registered participants.

APPENDIX “D” - DISCIPLINARY PROCESS

Discipline Committee

When policies are violated, or, where in the reasonable opinion of team officials, formal discipline is required, it is the responsibility of the team to take appropriate disciplinary action, make reparations as necessary, and to report to the Board.

Whistler Minor Hockey Association (WMHA) Disciplinary Process

1. Introduction

In accordance with our mission and mandate, the WMHA executive has adopted a formal code of conduct and disciplinary process for players, parents, and team officials.

The disciplinary process is designed to create a fair, unbiased, and objective process for disciplining behavior that violates our codes of conduct. The intent is to ensure that any disciplinary actions carried out by the WMHA executive with support from the Risk Manager are consistent regardless of who is being disciplined or who is making the ruling on behalf of the executive.

WMHA reserves the right to discipline players, parents, or team officials in addition to, and regardless of, any discipline that may have occurred through PCAHA or BC Hockey if they have violated WMHA codes of conduct.

Harassment and Bullying, as defined by the Hockey Canada Code of Conduct, will not be tolerated therefore the disciplinary process has included specific treatment in violations one (1) and (2) to enable the WMHA executive to ensure a positive team environment and the discretion to act more quickly to these types of accusations.

Note: References in this process to 'parent' shall include both parents and/or guardians.

1.1 High Risk Behaviour Intervention Process:

The board reserves the right to place any player under immediate and indefinite suspension, if, at the discretion of the board, the player's behaviour is deemed to put other players, officials, or any other individual at risk of serious injury.

2. Disciplinary Process

2.1 All players, parents and team officials must sign the appropriate Code of Conduct. Parents must sign the parent code of conduct prior to their child's first ice time. Players and team officials must sign by October 1st.

2.2 It will be the team manager's responsibility to collect the codes of conduct at the start of each hockey season and submit the signed copies to the Manager Coordinator.

2.3 After October 10th no team official or player may be involved in a team function on or off the ice, if they or their parents have not returned a signed code of conduct to their team manager.

2.4 For divisions Atom and above, the team official (Head Coach or Manager) and HCSP (Risk and Safety) official should attempt to resolve the code of conduct violation(s). The Risk Manager can be requested to participate upon the request of the team or involved parties. If this is not possible or appropriate, then a formal complaint can be submitted to the executive by any of the involved parties. Submission can be made by way of the following:

2.4.1 Email to the Registrar info@whistlerminorhockey.com

2.4.2 In writing to the Risk Manager. The complaint will be formally documented.

2.4.3 For divisions below Atom (H1-4 Level), the Initiation Manager may be contacted.

2.5 The hearing committee will be made up of a minimum of the Risk Manager and two (2) executive members so appointed by the President or VP, with one (1) executive member acting as Chairman.

2.6 At any time if the WMHA Executive deems necessary, it may involve its own legal counsel.

Violation #1

The first violation of any part of the code of conduct will be met with a written warning from the President or Vice President after an investigation to determine whether a violation occurred. Upon a first violation, the offender and parent or guardian will also be asked to complete the appropriate version of the on-line Respect in Sport course at his or her own expense. Confirmation of completion must be provided to the executive.

or

Upon a first accusation of bullying or harassment, a meeting will be organized ASAP with the accused player, parent, or team official, all involved parties, and an executive member and Risk Manager. If, after investigation, the executive believes that bullying did, in fact, occur, the offending player will be suspended for a designated number of games as determined by the executive.

Violation #2

The second violation of any part of the code of conduct will be met with an in-person meeting with two appointed executive members and any involved parties. If the executive members confirm that a violation occurred, the player or team official in question will be automatically suspended for one week (7 days) from all WMHA related activities. If a parent is in violation, the parent will not be allowed in the arena for one week (7 days) as well as any WMHA related activities.

or

In the situation of a second case of bullying or harassment, the player, parent (or guardian), or team official will be suspended indefinitely until a meeting can be arranged. If the executive believes that a second instance of bullying did occur, the offending individual will be suspended for the rest of the season. There will be no refund, (if applicable) of association fees.

Appeal Process

Both the complainant and respondent shall have the right to appeal the executive disciplinary decision. Formal written notification to the executive is required within 5 Business days. An Appeals Committee and hearing will be organized within seven (7) days.

An appeals committee will consist of three members. The executive board appointees will include two (2) executive individuals and WMHA's Legal Counsel making up the 3rd member. (Of the 2 WMHA Executives, one executive must be from the first violation, and a 2nd executive who was not a part of the initial disciplinary process.)

Upon Completion of the Appeals Committee hearing, the committee will have 72 hours to consider their decision pertaining to the matter. The Chairman of the committee will be responsible for contacting the involved parties and advising them of the decision and following up with a written summary.

This Appeals Committee ruling will be final.
